Louis CELEYRON

Tool Designer and Programmer

Looking for a graduate/junior position
or a 6 months intership

Creativity and curiosity are the things I value the most:
either mine or those of the people using my tools or playing my games!

I Studied Game Design and Ux which inclines me to make my projects
as ergonomic as possible.

Skills

Soft Skills

- **Adapts** easily
- Likes to bring new **ideas and solutions**.
- **Fast Learner**
- Interested in **everything in game production**, I enjoy talking to everyone in a team (artists, designers and programmers) to learn about their work
- I always want to **push the limits of creativity** with my teammates.
